TRAIN TO TEACH SCHOOL EXPERIENCE PROGRAMME

AT SACRED HEART RC
PRIMARY SCHOOL

At Teach Heart Alliance we offer potential primary teacher training candidates the chance to spend some time in the classroom before applying for the course, through our school experience programme.

School experience gives you the chance to observe teaching and pastoral work, and the opportunity to talk to teachers about day-to-day life in a school. Whilst not a pre-requisite for applying for teacher training, school experience will definitely strengthen your application, give you observational experience which will be useful at interview, and help you decide if teaching is right for you. You will get the chance to see a range of different lessons and age groups being taught and be able to help out with small groups of students in group work.

To book school experience please email:
