A Modern Day Palmer

In Medieval times pilgrimage was an important part of the faith of Christians and if at all possible they would try to make the journey to the Holy Land, Rome or Santiago de Compostela at least once in their lives. If someone was unable to go they would ask a Palmer to make the journey for them. The name comes from the pilgrim bringing a Palm back if they had been to the Holy Land.

Still today pilgrimage is an important part of our journey in faith and there are many different places to go on pilgrimage including Lourdes and Santiago de Compostela.

I hope to make this journey as part of the Every Step Challenge for Caritas Salford. The schools will be joining the running challenge and with the help of the Jesuits there will be an Imaginings Prayer experience led by members of the Jesuit Institute taking place on Wednesdays.

I see this opportunity as one for me to be a modern day Palmer taking your intentions on The Way so please use the prayer on the back of this card and know that I will be carrying your intentions with me,

God Bless,
Fr Chris

Camino Prayer

Lord,

I bring to mind now the special intention that I want to be remembered on the Camino.

Pause

I give it to Fr Chris now in prayer to carry it on the Way for me.

I pray for all pilgrims and seekers and companions on the way;

For all travellers;

Christ, may I walk together with you in solidarity with the poor and with all God's creation.

Amen
