DIOCESE OF  SALFORD

November List

Memorial Service: 7th November, 9.30am

A sunlit forest path with tall trees and green foliage. The sun is shining from the top right, creating a bright glow and casting long shadows on the ground. The path is covered in fallen leaves and small plants.

Autumn 2025, 13th November:

**Forest School Level 3 training at Laudato Si'
Centre**

Eight days, in person

£900

School / Centre Activities – New focus

- Each month a new activity email will be sent
- Focus on national and world environmental or ecological days
- Information about the theme - links to websites and video clips
- Activity suggestions
- Email any pictures to the LSC

NOVEMBER - COP30

What is it?

COP30 stands for the 30th time a Conference of the Parties has taken place. COP30 is a big meeting where leaders from around the world talk about how to help our planet. They make plans to stop pollution, protect nature, and fight climate change so the Earth stays safe and healthy for everyone. This year the COP takes place in Brazil.

What can you do?

- Watch videos and learn about COP30.
- Lead an assembly about what COP30 stands for.
- Write letters to your local MPs about environmental action.
- Look around your school and complete an environment audit, is there anything that your school could be doing better?
- Complete a litter pick to care for your school environment.

Remember to email any photographs of the work you do to learn about COP 30 to laudatosicentre@dioceseofsalford.org.uk or tag us in your posts @laudatosicentre
