WELCOME TO St. Matthew's RC High School

As the Headteacher, it is my great privilege to be leading a school where the holistic development of our pupils is of primary importance.

Our commitment to the pursuit of academic excellence and our rich personal development curriculum is underpinned by our Catholic identity, brought to life through our values of praying, caring and achieving.

St Matthew's is a vibrant faith and learning community that's enriched by our cultural diversity and unique young people.

Our curriculum is broad and well-balanced, designed and delivered by expert teachers to support all pupils to reach and exceed their academic potential. This is in conjunction with a bespoke Personal Social, Health and Economic Education (PHSE) programme and a wide-ranging extracurricular offer.

It is our intention that this, supported by our ethos and values, will allow each pupil to complete a five year journey with us and take their place in society, where their gifts and talents will be of benefit to all.

We insist on the highest standards of behaviour for learning and have clear policies in place to ensure these are maintained. It is my absolute belief that this consistency of approach will enable our community to flourish and enables our pupils to live out our mission statement. If you have any questions, please do get in touch with us.

OUR School

St Matthew's is a mixed Roman Catholic inner-city school based in Moston, North Manchester.

The school was established in 1977 and benefitted from a complete rebuild in 2009. The school serves close to 1400 pupils and benefits from a rich diversity across both the staff and pupil population. Our school is within easy access to the M60 motorway, providing a link to the rest of Manchester and the surrounding areas. St Matthew's is part of the Emmaus Catholic Academy Trust (CAT), which is one of three CATs in the Diocese of Salford. The school has recently started a rapid improvement journey and we anticipate the school will provide a high quality education in the near future.

We are a child centred, Christ centred community. Our core purpose is our Catholic mission: 'We pray, We care, We achieve'. Each element of our mission is important to us providing a unique education for all who join the school. St Matthew's works closely with other Catholic secondary schools to ensure we benefit from the very best practice available.

St Matthew's is located within extensive grounds and provides a bright, modern facility within an environment that supports teaching, learning and achievement across all subject areas with specialist facilities available. Computer facilities have been incorporated into the school design enabling all teaching areas to benefit from the latest IT products. At St Matthew's we are steadfast in our mission to keep all our pupils safe and happy, every day that they come to our school. We support all students academically and pastorally, enabling them to achieve positive outcomes at the end of their time with us. Our effective pastoral systems provide relentless care and support for all pupils, underpinning our core business of teaching, learning and achievement.

OUR MISSION

We pray as a community with Christ and with the teachings of the Gospel at our centre, shown in the things we do and in the ways we worship together.

We care for everyone in our school community, respecting them as individuals created by God and recognising and celebrating talents and successes. We see caring for others in the world outside of our school as part of our Christian responsibility.

We achieve the best we can in all aspects of school life by learning in lessons, succeeding in examinations and committing to extra-curricular activities.
